Unlocking God's Truths

2011

Seek ye first the kingdom of God and His righteousness and all these things will be added unto you. Matt 6v33

Last Year

2010 was a busy year. Our ministry expanded with new opportunities opening up for us. We held four half-day seminars, a three day prison conference, a training programme for a local church and a 12 week Foundational Truths Course.

Foundational Truths remains the course in most demand and we continue to see many people set free from the past and develop in faith, during this course. Do take time to download and read some of the many testimonies from our web site: www.kingdom-keys.org.uk

Our prison ministry has developed over the last four years and we have had some wonderful feedback from the week-end seminars we have run. We are planning to develop a programme for ex-offenders. Please pray!

Finding Your Place in the City was our first half-day seminar of the year. The teaching was excellent - a call to be active and effective men and women of God - a challenge to all who attended.

This was followed by a series of three bi-monthly seminars on: The Jewishness of Jesus; an introduction to the life and times of Jesus and the Disciples which brought insight and revelation from a Jewish perspective. These seminars were so popular that we plan to run a further series in 2012.

Many Christians have little understanding of the Bible from a Jewish perspective, despite the fact that Jesus was a Jew and remained a Jew! The Old Testament is all about God's Chosen People (Jews) and most of The New Testament was written by Jewish believers!

Also topical is the subject of End Times and we hope to be active in equipping believers to "read" the signs of the times relating to the return of Jesus. We begin with: Preparing For End Times a half-day seminar on 26 March. Don't miss it!

Please pray for us as we follow our vision in the coming year.

Yours in Jesus
Yvonne

Team News

For several years we have been praying for some regular voluntary administrative support. Last summer, Sally, having just completed a year at Bible College came

across our website, she liked what she read about our work and vision and made contact, saying she felt called to offer her help.

Following several telephone conversations, prayer and meetings, Sally put her house up for rent and moved from Oxford to London in October, to join the team.

Before moving to London Sally met some of the team in August for a summer BBQ, hosted by Carol and Glenn. It was great to spend time together, although a few people couldn't make it because normally when we meet, we are busy fulfilling our various tasks.

A Special Birthday

During the Foundational Truths Course, Harry - our much valued team member, reached his 80th birthday. Harry did the course in 1994 and has been with us ever since, serving wherever needed. Harry was presented with a certificate for long service and we celebrated with a delicious birthday cake made by Veronica.

Love Offerings

We were blessed during 2010 to receive regular giving from some of our supporters as well as a number of monetary gifts from students. We thank God for His goodness through these faithful servants.

We chose The Ebenezer Aid Fund to sow our tithe into. Ebenezer assists Jews from all over the globe to make Aliyah (return to their homeland to live).

Prison Ministry

Last summer a team of seven travelled to Dorset to deliver a week-end teaching conference for the inmates at HMP The Verne. We really experienced a move of the Holy Spirit on both the

Friday night and Saturday and it was evident that many prisoners were being touched. Some were looking forward to giving testimony during the Sunday morning service.

However when we arrived on Sunday, the presence of Police suggested that all was not well. To our great disappointment we were not allowed in and the service of celebration had been cancelled due to an incident.

We travelled back to London, disappointed and hoping for an opportunity to return before too long.

That hope was soon realised and our return visit is planned for January. Nine of us will be going this time to minister through worship and teaching, with lots of group work which the inmates really enjoy. The theme for the week-end will be: The Battle of the Mind.

Launch of COPE

Yvonne was invited to run a workshop last July at the launch of the Coalition of Prison Evangelists (COPE) in Loch Lomond, Scotland.

It was a good networking opportunity and opened doors for ministry. Many delegates took our free literature and promotional DVD.

It was also a chance to meet James, an ex-offender from nearby, who she had corresponded with in the past. You can read James' testimony and listen to a song he composed while he was in prison - on our website. James is now working part-time and pursuing his dream of becoming a successful singer / entertainer.

During the COPE conference an invitation was extended for KK to run the Foundational Truths Course in a prison in Scotland. The logistics have yet to be worked out but we are looking forward to these unfolding!

If you are interested in becoming part of the prison ministry team, please get in touch, the more people we have, the more we can do.

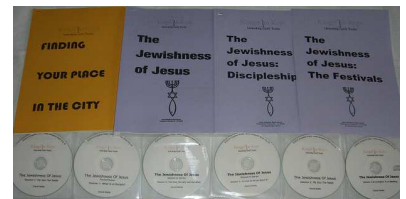

Preparing for End Times Seminar

We are delighted to have booked Chris Hill for our first 2011 Saturday Seminar on 26 March. Chris has been engaged in teaching the Word for over 40 years. Many people have been blessed through his books, CDs, radio and TV programmes. He has led nearly 80 tours of Israel and has a wealth of knowledge and insight of the Scriptures. Chris has a passion for preparing people for End Times and we are really looking forward to his visit on 26 March 10-1pm at the Acorn Centre, Ashgrove Road, Goodmayes. Book early to avoid disappointment. Details on our website.
